TOWN WARRANT

State of New Hampshire

To the Inhabitants of the Town of Bath qualified to vote in town affairs:

You are hereby notified to meet at the Town Hall in said Town on the second Tuesday of March next at ten o'clock in the forenoon to act upon the following subjects:

Article 1 To choose a Town Clerk, one Selectman for three years, one Trustee of Trust Funds for three years, one Library Trustee for three years, a Town Treasurer, an Auditor, and one or more highway agents, and all other necessary Town Officers and agents for the ensuing year.

Article 2 To hear the reports of Officers and Agents heretofore chosen and pass any vote relating thereto.

Article 3 To see how much money the town will vote to raise and appropriate for the town officers' salaries and expenses, for repairs, maintenance and construction of highways and bridges, for the support of Town Library, for support of town poor, for the observance of Memorial Day and old Home day, and for all necessary town charges and expenses for the ensuing year.

Article 4 To see what action the town will take in regard to securing State Aid for its highways and to raise and appropriate such sums of money as may be necessary for that purpose.

Article 5 To see if the town will vote to raise and appropriate the sum of three hundred dollars for the control of White Pine Blister rust.

Article 6 To see if the town will vote to dispense with the delivery of inventory blanks until April first.

Article 7 To see if the town will authorize the selectmen to administer or dispose of any real estate acquired through tax collector's deed.

Article 8 To see what action the town will take to authorize the selectmen to borrow money in anticipation of taxes.

Article 9 To see if the town will accept State Aid for construction of Class 2 road known as Monroe road and raise and appropriate or set aside for said purposes the sum of $1,384.50 or will accept State Aid for construction of Class 5 roads and raise and appropriate or set aside for said purpose the sum of $575.25.

Article 10 To see if the town will vote to discontinue, subject to gates and bars the road on to Foster Hill from the turn on the main road by Gerald Clark's to the Landaff line.

Article 11 To see if the town will vote to discontinue subject to gates and bars the road known as the Berry road from the turn near S. G. Day's to the road passing G. T. Clark's.

Clifton Dexter — Hazel Dunlap	
Bernice Estes — Harold Nelson	
Irene Tewksbury — Ruth Wilson	
Gerald Tashro — Walter Whitcomb	

1935-36

Enrollment to date:	
Elementary	41
High school	29
Non-resident pupils:	
Elementary	1
High school	15
In schools outside of district	3

Teachers:

Ernest O. Pederson, Headmaster, high school
Ellen S. Chase, high school
Meredith Sisco, grammar grades
Nella A. Pederson, primary grades
Lottie M. B. Underhill, school nurse.

Since the last reports were made the new and better heating plant has been installed. The building still needs a drinking fountain, painting inside, and repairs on the roof. As water has damaged or marred the plaster in every room, it will be economy to do this outside work as soon as possible. The driveway has been much improved by the addition of gravel, but it still needs a culvert or drain in one place.

While the depression continues any assistance given to the children is a great help. Last year Federal Funds made possible the holding of a dental clinic at which eighteen children from the elementary grades received treatment. In addition to these, nine high school pupils had work done at reduced rates. There seems to be no prospect of another clinic this year unless individuals or some organizations supply the funds.

The general work and activities of the school have continued as usual. Standard tests given in June showed many instances of good work. The highest score among the hundred in this supervisory union taking the seventh grade achievement test, was made by a pupil in Bath. For information regarding the interests of the high school, I refer you to the headmaster's report which follows this.

Respectfully submitted,

EDWARD A. JANES

REPORT OF THE HEADMASTER

To Superintendent Edward A. Janes:

I hereby submit my fifth annual report as headmaster of the Bath High School.

School opened September 9 with an enrollment of 28 pupils, 16 girls and 12 boys. An additional boy member was admitted on September 16, but he dropped out after attending three days. This made a total registration of 29 pupils, 16 girls and 13 boys. One member has transferred to Littleton and two others have left school, thus making a total of 25 pupils now enrolled. The names of the present enrollment by classes is as follows: Seniors: William Austin and Elsie Young; Juniors: Helen Chase, Phoebe Ricker, Robert Estes and Roger Carr; Sophomores: Helen Austin, Francese Blair, Verlin Chase, Pauline Paquett, Eunic Whitcomb, Isablle Young, Barbara Hunt, Wendell Arsenault, Donard Carr, Hubert Chase, Howard Estes and Edward Gates; Freshmen: Bernice Estes, Irene Tewksbury. Ruth Wilson, Madeline Welch, Clifton Dexter, Harold Nelson and Ellsworth Tashro.

The total number of tuition pupils originally registered for 1935-1936 was 15. The withdrawal of 2 tuition pupils makes the number now 13, 10 from Swiftwater, 2 from West Bath and 1 from Nutter district. There are 4 less tuition pupils registered this year compared to the total number registered for 1934 1935.

School Program and Organization

The plan of offering new subjects on alternate years is being followed as usual. The following subjects are being taught this year: Economics, Commercial Geography, Plane Geometry, Chemistry, General Science, History of Civilization, Modern-European History, English 1, 2, 3 and 4, Latin 1, French 2.

We are continuing to use the plan providing for a 30 minute activities period at the close of the afternoon session.

Assemblies

Dr. Warren Whitcomb of the University of Louisiana gave an interesting talk to the students on the subject, "Bees and Honey."

Superintendent Edward A. Janes showed four reels of motion pictures to the students. The subjects were Care of the Teeth, Railroads in the Middle West, Iron from Mine to Mill, and Animals in the Arid Southwest.

Mr. Wilfred Owen, a former headmaster of the school, gave a talk on the subject, "Education in Preparation for Vocations."

Student programs were given in observance of American Educational Week, Conservation Week, Armistice Day, and Memorial Day.

Management of Activities

The high school plan of Student Government has been discontinued. Under the new plan the headmaster appoints a school treasurer and a school secretary, who also acts as secretary to the headmaster. These officers are appointed annually. The headmaster manages the financial problems of all extra-curicula activities of the high school. All activities in any way supported by the school's general fund come under his jurisdiction.

All money raised by the school continues to be placed in a general fund. A certain amount from this fund will annually be paid the senior class for the expenses of Commencement invitations and the senior trip. This amount will vary with the size of classes and the school's ability to pay.

The student treasurer acts as bookkeeper and issues all checks, with the headmaster's endorsement, in payment of bills.

All money taken in at any school function or from any other source is counted in the presence of either the treasurer or secretary, or both, and the headmaster. The headmaster is responsible for the amount counted being deposited in the Lisbon bank, and this amount is rechecked by the treasurer from the bank deposit book.

The school's treasurer is Elsie Young, and the secretary is Phoebe Ricker.

The books were audited in the fall by Hascall Stimson, the school's auditor. The school appreciates this service and interest shown by one of its alumni.

Music

Singing is a part of each morning assembly period Without a suitable piano in the school, we cannot hope to make any great progress in musical training. With a satisfactory piano, interest in a small school orchestra could be encouraged, which group would prove a great asset in the various school functions.

Repairs and Improvements to School Plant and Grounds

A major improvement was made this year when a new furnace was installed. This was a much needed improvement and is appreciated.

The floors have been oiled twice.

The walls in the boys' basement are being painted by two high school boys who have been approved for aid under the National-Youth Administration.

The road to the school has been kept in very satisfactory repair by additional gravel. This is appreciated by the students, teachers, and others who regularly use this road.

Despite the heavy snowfalls this winter, the road and path have been kept in excellent condition.

Health and Recreation

Basketball seems to continue as the school's major sport. Training for this sport began soon after school

opened in the fall when outside courts for both boys and girls were provided on the school grounds. Inside practice began in early November and will continue until the last game in the middle of February.

The high school has joined the White Mountain League-Conference this year. Eleven north-country high schools are members of this league. The purpose of this league is to develop friendly athletic relations between members schools.

To date, the boys' basketball team has won 8 games and lost 3, and the girls' team holds a position at the top of the list in the league having also won 8 of the contests and lost 3.

The high school has been invited to join the White Mountain League-Conference for the baseball season, but this will be difficult without some appropriation to support the school's athletic program.

The school was represented by teams at the Lancaster track meet last spring.

A new game to the school was introduced last fall in touch-football. The 2 games played against Lisbon high resulted in one victory for Bath and one for Lisbon.

It is regrettable that more time cannot be given to regular instruction in wintersports. I believe the time is coming when wintersports will take the place of basketball in this region of snow. The value of outdoor sports is much greater. Early training in wintersports would result in lifetime activity for the person, whereas basketball is continued by only a few and for only a short time after completion of school.

Despite the limited time for instruction, teams are entered in the carnivals of Lancaster, Woodsville, Lis-

bon, Littleton, Whitefield and Bath. At these meets prospective skiers, skaters and snowshoers learn much through observation. They also make desirable acquaintances with the pupils from other schools, thus learning to associate with new people.

The high school will sponsor the fifth annual Bath Interscholastic-Wintersports Tournament this year. There were 224 entries registered for the meet held last year.

Let us not forget the moral and social values claimed from participation in school athletics. One frequently encounters the development of qualities such as courage, loyalty, obedience, decision, alertness, courtesy, self-control, self-subordination, leadership, initiative, cooperation, citizenship, good sportsmanship, good school spirit and deportment.

Social Functions

Two 3-act plays, "That's the Ticket" and "Everyboy's Crazy" were presented at the Town Hall under the efficient direction of Mrs. Ellen Chase.

A dance was given at the Town Hall with "Rin" Wright and his orchestra of St. Johnsbury furnishing the music.

The annual Junior Prom was held at the Town Hall with Raymond Welch and his orchestra of Northumberland furnishing the music.

A Hallowe'en Dance was held at the Town Hall last fall.

Parts have been assigned in a three-act royalty play, which will be presented in March.

The presentation of a minstrel show will probably be attempted during the spring term.

Comments

The interest and cooperation of parents and other citizens of Bath is greatly appreciated.

I thank all the people of Bath who played such an active part in making last years' carnival a success.

I thank the people who so generously offer their cars to transport our athletic teams to the various places of competition.

We feel grateful to Mr. George White of North Haverhill who gave us such reasonable rates for the bus rides during our basketball season.

Two high school boys are to receive aid under the National Youth-Administration in return for work assigned them by the headmaster. Such work cannot be janitorial duties. These boys are now painting the wall in the boys' basement. A third boy is seeking to receive this aid at the present time.

I would suggest that consideration be given to retinting the walls and ceilings during the coming summer months.

Mr. Russell Leavitt, state high school agent, paid his annual visit to the school on December 10, 1935. A few sentences from his written report read as follows: "It is suggested that there be a place for the pupils to wash, and that a bubbler be placed on the first floor. In order to comply with the standards for an approved school, as indicated on the approved program of studies, a new set of encyclopedia and a new unabridged dictionary should be supplied. This deficiency was mentioned last year."

Without a drinking fountain in the hall, much time will continue to be wasted by the pupils who find it necessary to go down to the basements to quench their thirst.

Proper washing facilities do not exist in the basements at the present time. I believe that a drinking fountain in the corridor would offer a better opportunity to install the necessary equipment for pupils to wash.

We certainly need a new set of encyclopedia.

The school should be supplied with a typewriter and a mimeograph machine.

The Bath Union Spirit, the school's yearbook, will be published in the spring.

The janitor's fine services and cooperation cannot be excelled.

There continues to be a fine spirit of loyalty and cooperation on the part of the student body. This greatly aids the general progress of the school.

I thank the school board and our superintendent, Mr. Janes, for their wholehearted support and cooperation in all school matters.

Respectfully submitted,
ERNEST O. PEDERSON, Headmaster.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of the Bath School District:

I herewith present for your consideration my sixth annual report as superintendent of schools.

1934-35

Total enrollment	55
Non-resident pupils	2
Per cent of attendance	93.95
Cases of tardiness	45
Pupils attending schools outside of district:	
Elementary	9
High school	30
School visits by members of the board	2
School visits by the superintendent	87
School visits by citizens	86

Roll of honor for perfect attendance:

Etta Hooker Marjorie McQuesten

Promoted, June 1935, from the eighth grade to high school:

Perry Arsenault Madeline Welch
Earle Mitchell Edna McKean
Dora McQuesten

1935-36

Enrollment to date	56
Non-resident tuition pupils	11
In schools outside of district:	
Bath	1
Benton	3
Woodsville Grades	4
Bath High School	15
Lisbon High school	7
Woodsville High School	6
Total elementary	8
Total high school	28

Teachers

Mrs. Elizabeth G. Hooper, Swiftwater,	21 pupils
Reta E. Thayer, Nutter,	12 pupils
Doris M. Stimson, Pettyboro	11 pupils
Martha E. True, Carbee,	12 pupils

Lottie M. B. Underhill, school nurse.

During the summer vacation the Carbee School was painted and the walls of the building at Swiftwater covered with Celotex wall board. This Celotex finish which is now on three schools, should, if possible, be painted.

Last year Federal Funds made possible dental clinics at which twenty-four children received treatment. Unfortunately this year there has been no grant for further work along this line. It would be a great help if some organization or group of individuals could sponsor dental care for some of our needy cases. The school nurse would be glad of donations of children's clothing if anyone has any outgrown garments to dispose of.

The general work of the schools progresses as usual. State aid appropriations make it possible to keep the textbooks and equipment up to date and to employ capable experienced teachers.

Respectfully submitted,

EDWARD A. JANES.
